

IWA World Water Congress & Exhibition 2016 9 – 14 October 2016, Brisbane, Australia

SWAN FORUM & IWA

Smart Water Network Focus

In October this year, the IWA will organize its 10th IWA World Water Congress & Exhibition in Brisbane, Australia. The exhibition offers you unique business and networking opportunities, since this high profile event attracts 5000+ global, leading water professionals.

Given the importance of SMART WATER MANAGEMENT in the global water arena, the 10^h IWA WWCE will include a significant focus on this subject in the congress & exhibition programme.

Themes

The WWCE will cover 5 overall themes: Cities, Utilities and Industries Leading Change; Re-Charting the Course of Water Resources; Enabling Progress with Good Governance, Sustainable Finance and ICT; Water Quality, Safety and Human Health and Water and Wastewater Processes and Treatments

Smart Water Networks and related technologies will be included within these main themes.

IWA and **SWAN Forum** have agreed to launch a special SMART WATER NETWORKING FOCUS programme throughout the week in which several exclusive opportunities are offered to SWAN FORUM members.

To support this initiative, SWAN FORUM members will get the possibility to book their stand space at the early bird / member rate (*this is a saving of 65€ per sq.m.!*). A number of SWAN FORUM members have booked their space already and by including more members we can create a substantial 'smart water' presence including:

- A special SMART WATER NETWORK path in the exhibition, where SWAN FORUM members will be highlighted on printed floor plans and in the Congress App
- Business Forum session(s) on smart water topics

SWAN FORUM member benefits:

- Book stand space at the early bird / member rate (discount 65€ per sq.m.) (*)
- Discount on Congress Delegate tickets (€525 instead of € 1250, a discount of 58%)
- Promotion of the SMART WATER NETWORKING route on the exhibition floor
- Company description in Congress Programme Book
- Company description in Congress & Exhibition App
- Special attention on the route in the catalogue and App
- General promotion
- Possibility to have a **time slot for a 45-minutes** presentation about your latest project/innovation in one of the **Business Forum** rooms – free of charge
- Free attendance of Opening Ceremony
- Free attendance at the Welcome Reception
- Free coffee / tea in breaks

(*) Stand space rental at early bird / member rate is **€ 360,- per sq.m. excl. shell scheme**. Shell scheme costs are € 90,- per sq.m. for a full package stand construction.

Example costs for Swan Forum Members:

A 9 m2 booth without shell scheme cost €3.240,- this includes a discount of €585,-.
