

# Messaging Attendees

## Get to Chatting *Double-click the top to change the background.*

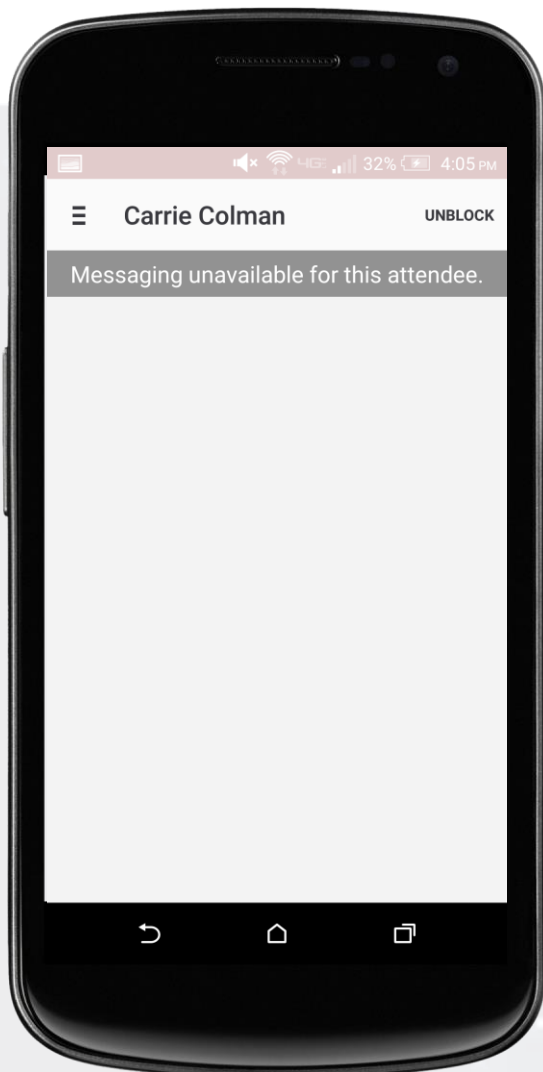

**1 Access the Attendee List.** After logging in, tap the **Attendees** icon.

**2 Send your message.** Find the person you want to message by either scrolling through the list or using the search bar at the top of the screen.

Tap their name, then the chat icon to start texting. If you want to pick up a chat you previously started, tap the hamburger icon in the top right, then **My Messages**.

*Hold shift while resizing your screenshots.*

## Or Be a Hermit

**1 Access the Attendee List.** Rather focus on the conference? Just as before, log in and tap the **Attendees** icon.

**2 Block the person.** Find the Chatty Cathy you're worried about by scrolling through the list or using the search bar at the top of the screen.

Tap their name, then the chat icon. But, don't type anything, instead tap **Block** in the top right.
