IWA World Water Congress & Exhibition 2020

Shaping our Water Future

Invitation to Exhibit & Sponsor

COPENHAGEN
DENMARK
18-23 OCTOBER
2020

www.worldwatercongress.org · #WorldWaterCongress
Water for Smart Liveable Cities

The IWA World Water Congress & Exhibition is the global event for water professionals covering the full water cycle. Join over 10,000 leading water professionals and companies convened by the International Water Association. During 6 days, thought-leaders, decision makers, leading researchers and business representatives from within and outside the water sector will focus on water solutions to shape our water future.

The 2020 World Water Congress & Exhibition in Copenhagen, Denmark is designed to bring together water professionals and also engage the water-consuming industry, agriculture, architects and urban planners, hydrologists and soil and groundwater experts, social sciences, ICT-sector, the financial sector and others. The Congress is by nature a global forum for discussion.

This edition of the #WorldWaterCongress & Exhibition, will report on the water sector progress on the Sustainable Development Goals (SDGs). With an emphasis on SDG6, dedicated to water and sanitation, the Congress will also highlight and access the interwoven relation of water with all 17 Global Goals. Participants will analyse, discuss and highlight solutions at high-level summits, cases-study presentations and examples of implementation and cooperation towards the fulfilment of the SDGs.

Focusing on leading practice, innovation and solutions, the event provides new networking and business opportunities, and ensures maximum exposure between participants, exhibitors and sponsors. It connects you with the right people and the right solutions, fosters new collaborations and partnerships, and provides a platform for exhibitors and sponsors to raise their profile amongst leading water professionals and companies.

Expectations from #WorldWaterCongress 2020 in Copenhagen:

- Visionary thinkers and compelling speakers on how water can create smart and liveable cities of the future.
- High-level summit with utility, government and city officials as well as organisations and water utilities about the progress towards implementation of the SDGs.
- Advance opportunities for IWA Young Water Professionals and #EmergingWaterLeaders.
- Highlight global innovations and offer a global business platform.

"When IWA celebrates its 20th Anniversary, the IWA World Water Congress & Exhibition is hosted by Denmark. The Nordic region countries, as well as IWA members from around the world look forward to learn and share their knowledge. The Nordic countries are a model for many of us in the way they manage to balance life and nature, to innovate, and to implement a sustainable economy. This is the spirit, the essence of the SDGs!"

Diane d’Arras, IWA President
9 Reasons to Exhibit and Sponsor

1. Join the world’s leading institutions, companies and other organisations involved in the delivery of innovative, pragmatic and sustainable solutions to challenging global needs for safe water and sanitation, within urban areas and river basins.

2. Connect with thought leaders from within and outside the water sector, and to network with over 10,000 delegates and visitors from over 100 countries worldwide.

3. Highlight your company as a leading entity in the sector, and provide a wide range of networking and partnership building opportunities during the event by exhibiting at the world’s premier water event.

4. Shape the water agenda for decades to come: The conference focus is on bridging the space between industry, business, technology, innovation, practice and science to share knowledge, build collaborations and develop networks.

5. Unique networking facilities including: matchmaking programmes for exhibitors, meet the delegations programmes, Business Forums, and more...

6. Sponsorship and partnership opportunities (tailor-made to meet your needs) enable you to play a leading role in an event with impact. Including global exposure and reach-out via IWA videos and social media on relevant topics for water professionals.

7. Full integration between exhibition and conference. All exhibitors will be located in the main Exhibition hall where all lunch and coffee breaks will be served, as well as other social functions and receptions.

8. The International Water Association – a trusted professional association with an excellent reputation and track record for delivering highprofile international events around the world.

9. IWA will promote this event to its worldwide network of more than 80,000 water professionals. The organisers will promote the event through multiple communications channels, including digital channels and international, regional and local media.

The networking hotspot

The international Exhibition floor will be the networking hotspot during the event. All lunches, coffee and tea breaks will be served in the exhibition hall providing key opportunities to showcase your brand and to network with Congress delegates.

Exhibitors can benefit from a discount on the Congress registration fee. This enables exhibitors to attend all sessions and with that direct and wider networking opportunities.

Host a business forum

The Business Forums are a component of the Congress Programme and provide a series of sessions where delegates can interact with national delegations, commercial and noncommercial organisations to discuss and learn about the innovations and new developments (projects, services, research, challenges, and strategic direction) of single companies and countries. Sponsors and exhibitors of the World Water Congress & Exhibition can apply for session timeslots in the Business Forum programme.

IWA World Water Congress & Exhibition 2018 was proven to be the most useful and profitable water event to the world. KUBOTA as a principal sponsor is grateful that the world’s leading water professionals had an opportunity to get the information of Japan’s high-quality water supply and sewage system such as the latest products, technologies, and services.

KUBOTA, Principal Sponsor

IWA World Congress Tokyo proved to be the perfect platform to network with the leaders in water: political, technical, research and business leaders. SUEZ is delighted to be part of this community, to foster water-wise solutions for cities.

SUEZ, Gold Sponsor

"The African water sector aims to speak with one voice in the global arena, and the IWA World Water Congress & Exhibition is the place for us to look for solutions."

Sylvain Usher, AFWA Executive Director

"Hosting the Australian Pavilion at the IWA World Water Congress & Exhibition 2018 enabled us to enhance sharing of Australia’s knowledge and tools for sustainable water management. It was a great opportunity to engage and collaborate with leading international institutions through a strengthened ‘Team Australia’ approach."

Australian Water Partnership

"The IWA Exhibition is a tremendous opportunity for us to showcase Canadian Innovators to the world and to shine a light on our water leaders. We met so many international delegates and appreciated the lively atmosphere of the exhibition – to me, it seemed more like an exciting marketplace."

Robert Haller, Canadian Water & Wastewater Association
